

Investor Solutions is contributing to Hurricane Harvey relief

Investor Solutions is contributing \$5000 to the Red Cross to assist victims of Hurricane Harvey.

As a survivor of several hurricanes myself, I know firsthand how devastating a natural disaster can be. I was right on the edge of Category 5 Hurricane Andrew when it came ashore in Miami. It took billions of dollars and years to rebuild, but the disruption to lives cannot be measured. Harvey will be an order of magnitude worse, and affect many, many more people.

Texans are tough, but they are going to need a lot of assistance to put their lives back in order. We can all help.

As you are firing up the BBQ this weekend, take a second to assist your neighbors. If you would like to join us in making a contribution, visit the Red Cross Hurricane Harvey Donation Page: <https://www.redcross.org/donate/hurricane-harvey?campname=Harvey&campmedium=aspot>
